

**HERE IS WHAT YOU NEED**

- 1 Thick printing paper
- 2 Scissors
- 2 Ruler
- 4 Needle or bone folder
- 5 Glue

HERE IS WHAT YOU DO

- 1 Print the template on paper (not too thin)
- 2 Cut out the design along the lines
- 3 Score all the lines using a bone folder or needle and a ruler
- 4 First fold the diagonal lines 'to the back' (Mountain fold)
- 5 Then fold the other lines 'to the front' (Valley fold)
- 6 Fold the kaleidocycle around so the long sides touch each other
- 7 First glue part A, press it gently
- 8 Next glue parts B, press it gently and wait a few minutes
- 9 Last glue part C into the other side. Press it gently and wait a few minutes
- 10 Have fun with it!
